

## WHO WE ARE

The Upper South Platte Water Conservancy District (USPWCD) and the Center of Colorado Water Conservancy District (CCWCD) are water districts serving Park County and portions of Teller, Douglas, Jefferson, and Clear Creek counties.

The two districts have joined together to form the **Headwater Authority of the South Platte (HASP)**. HASP operates a water rights enterprise through which it makes augmentation water available for sale to customers throughout our service areas.

## NEED WATER?

## CALL HASP!

## OUR GOALS

- ✧ Locate and develop water resources for use by HASP customers.
- ✧ Help businesses and residents within the HASP service area obtain a water supply for their water uses.
- ✧ Bring out-of-compliance water users into compliance with state regulations.

## CURRENT USES

- Aesthetic Ponds
- Bed & Breakfasts
- Business Offices
- Charter Schools
- Church and Parsonages
- Community Recreation
- Guest Ranches
- Mining & Gravel Operations
- Mobile Home Communities
- Retreat Centers
- Seasonal Use Cabins
- Supplemental Livestock Water

## HASP SERVICE AREA

HASP can provide customers with augmentation water in the South Platte River drainage (Division 1):

- ✧ Most of Park County
- ✧ Parts of
  - ⇒ Clear Creek County
  - ⇒ Jefferson County
  - ⇒ Douglas County
  - ⇒ Teller County

HASP will soon be able to provide customers with augmentation water in the Arkansas River drainage (Division 2) in Park County
